ESTABLISHED 1870. INSURANCE & REAL ESTATE

THOMAS DOWSE,

of the PEOPLE'S AGENCY would acknowledge the generous support given it since its establishment last year. I begin the new year with the following Two Insurance Companies to which additions will be made as rapidly as approved:

NEW ORLEANS,	Established, 1865
MELANIE, of Brooklyn, N. Y.,	" 1867
GERMAN, of Pittsburgh, Pa.,	" 1862
STATE, Des Moines, Iowa,	" 1865
BUFFALO GERMAN, Buffalo, N. Y.,	" 1867

All of them having successfully been through the Great Chicago and Boston Fires, and do present business years from 1872 to 1883—proves them to be

TIME TRIED AND FIRE TESTED

No office here offers better Insurance Security, and fewer dealings than the People's Agency. I am prepared to place *London and Great Lakes* to any amount. TRY ME.

IN MARINE INSURANCE

My arrangements of the coming season of 1883, are most complete. HULL INSURANCE both against fire and marine will be a specialty. Call and see. I frankly intend the People's Agency shall lead in the amount of Insurance business, and so I advise, done here the coming year. It never plays "second fiddle."

REAL ESTATE

Will only say this branch, as from '70 to '76, will be on Commission Only—No joint Accounts—No middle men. Actual buyer and seller brought together if desired. I am not interested a dollar beyond my commission in any property I offer. The advantage and fairness of this policy is well known to all, is clear to every eye.
