**WELL TRIED TREATMENT.**

FOR CONSUMPTION, ASTHMA, BRONCHITIS, DYSPNOEA, CATARRH, HAY FEVER, HEADACHE, DIBETES, RHEUMATISM, NEURALGIA, AND ALL CHRONIC AND NERVOUS AFFECTIONS.

When "Compound Oxygen" is inhaled the life is imparted to it increased vitality. That oxygen sends forth the blood with more force and life wear to itself; the vital currents leave on their circuit new deposits of vital force in every cell of tissue over which they pass, and return again to the lungs for a new supply. This simple story is the rational explanation of the greatest advance that medicine has ever made.

"The Compound Oxygen Treatment" which Drs. Starkey & Falen, No. 1529 Arch street, Philadelphia, have been using for the last fifteen years, is a scientific adjustment of the elements of Oxygen and Nitrogen magnetized, and the compound is so condensed and made portable that it is carried by express to every portion of the country—indeed, it is sent to all parts of the world. Drs. Starkey & Falen have the liberty to refer (in proof of their standing as Physicians) to the following named well known persons who have tried their treatment:

Hon. William D. Kelley, Member of Congress, Philadelphia.  
 Rev. Victor I. Conrad, Editor Lutheran Observer, Philadelphia.  
 Rev. Charles W. Cushing, Editor American Reformer, New York.  
 Hon. William Penn Nixon, Editor Inter Ocean, Chicago, Ill.  
 Judge Joseph R. Handers, Temple Court, New York.  
 Mrs. Mary A. Gator, widow of the late Dr. Harvey Gator, Camden, New Jersey.  
 Mrs. Mary A. Doughty, Jamaica, Long Island, N. Y.  
 Mrs. Mary A. Livermore, Melrose, Massachusetts.  
 Judge H. S. Voorhees, New York City.  
 Mr. George W. Edwards, Proprietor St. George's hotel, Philadelphia.  
 Mr. Frank Siddall, A well known merchant, Philadelphia.  
 Mr. William H. Whittier, Silk Manufacturer, Dury, Philadelphia, Pa.  
 And many others in every part of the United States.

"Compound Oxygen—Its Mode of Action and Results." In the title of a volume of nearly two hundred pages, published by Drs. Starkey & Falen, which gives to all engineers full information as to the remarkable curative agent and a large record of surprising cures in a wide range of chronic cases many of them after being abandoned to die by other physicians. It will be mailed free to any address on application.
