DYNAMITE'S DESTRUCTIVE POWER

Could effect no more thorough clearance of our over stocked clothing counters and shelves than the prices quoted today will. Immense fall stocks of Clothing and Furnishings have been purchased by B. J. Cook, and unless his present stock can be turned into cash within eight days more he will be compelled to countermand the entire order and close his doors for good. He has bit off more than he can ever under any circumstances chew, and does not hesitate one moment to give the natives of Duluth and vicinity the entire benefit of his error.
