cessful wine and liquor dealers in this city. Mr. Zien has been in the wholesale liquor business in Duluth for a number of years, and in addition to his large local trade, supplies a large percentage of dealers in wet goods throughout Northern Minnesota and Wisconsin and especially on the iron ranges. He at one time owned a half interest in the Manhattan Wine House of this city, in addition to his other interests, but a few months ago, he sold out his possessions in the former and is now devoting his entire attention to the business of the Pacific Wine House. Mr. Zien handles only the best grades of liquor and wines, and when he once secures a customer, he seldom, if ever, loses him.
