

SPLENDID MEETING.

Hebrew-Americans Rally Rousingly for
Sound Money.

A very successful sound money meeting of Hebrew-American citizens was held last evening at Turner hall. The nationality in this city was largely represented.

W. M. Abrahamson presided. Preliminary speeches were made by George H. Laybourn, Republican candidate for the legislature; W. C. Sargent, Republican candidate for sheriff, and Judge Helm-bach.

The speaker of the evening was Dr. Gustav N. Hausmann of Chicago, who spoke at considerable length and made a splendid sound money argument. All of the speakers spoke in English except Mr. Hausmann. It was one of the most successful meetings held at Turner hall this campaign. There were many ladies present.

Mr. Hausmann was introduced as the "Boy Orator of Jerusalem," which produced much laughter. There was much enthusiasm manifested in the course of his address, and he made a fine impression. Dr. Hausmann is making speeches in the interest of the Republican platform under the auspices of the national committee.
