

THE CITY.

Another Ore Loading Record.

The Duluth, Missabe & Northern ore dock has established a new 24 hour record, having loaded out 41,500 gross tons of ore from Saturday noon to Sunday noon.

Filling in the Endion Yard.

A steam shovel is at work at French river excavating material for filling the Iron Range trestles in the Endion yard. A great deal of work has been done on the road between Duluth and Two Harbors during the past summer.

New Office for Alf Merritt.

A building permit was issued to Alfred Merritt yesterday by Building Inspector Robinson. Mr. Merritt will build a two-story frame office building on Oncota street, between Forty-fourth and Forty-fifth avenues west. The building is to cost \$1,000, and will be 26 feet front by 76 feet deep.

Carroll-Porter Pipe All Right.

The test of the pipe laid between Fortieth and Forty-sixth avenues east by the Carroll-Porter company, was a success on Saturday. The previous tests had shown some defects in the work, and these were at once remedied. High pressure was brought to bear on Saturday, but little or no leakage could be found.

Last Day for Filing.

Tomorrow is the last day for filing notes of issue for the November term of the district court, and the force in the clerk's office is preparing for a very busy day. The term will be rather heavy in the civil branch, as there are 67 cases continued over from the last term. There are but few criminal cases, and none of any great importance. The term will open one week from tomorrow.

Must Reiny Its Own Tracks.

The Lakeside Street Railway company has sent the board of public works a letter saying that it is waiting for the city to relay the tracks of the company torn up to enable the city to lay the new water mains. The board in reply says that the city has fulfilled its part in putting the street in its former condition, and the company, if it is wise, will get to work and lay its own tracks.

Stultz Must Show Cause.

The application of G. Graham for a preliminary writ of mandamus against W. H. Stultz, as county superintendent of schools, came before Judge Cant in district court yesterday, and an alternative writ was issued, directed against Supt. Stultz, commanding him to reinstate Graham as a teacher in the public schools of Hibbing and to renew his certificate, or to show cause at the next special term of court, to be held Saturday, why the writ should not be obeyed.

Big Receipts of Bonded Wheat.

The receipts of wheat in bond at the port of Duluth since Sept. 1 have been about four times as great as they were for the same period last year. The receipts from Sept. 1, 1897, to date have been 1,111,221 bushels, as compared with 263,111 bushels for the corresponding period last year. The receipts of wheat in bond have this year bounded to prominence, and are an important feature of the general wheat receipts. The receipts of wheat in bond yesterday were 110 cars.

Knows Nothing of It.

It is reported that Joseph Le Beau of New Duluth contemplates removing the B. B. Richards sawmill from New Duluth to Two Harbors. The Duluth Trust company says that no such step is contemplated so far as it knows. Mr. Le Beau is the present lessee of the mill and the mill will either be sold or a new lease made for its use after this year. It is reported that Mr. Le Beau can procure a contract for sawing 100,000,000 feet of logs providing he will remove his mill to Two Harbors.

District Court Judgments.

A transcript of judgment from the municipal court in the sum of \$163.09 was filed in district court yesterday in favor of Ingerval M. Olsen and against Olin Halden. A transcript of judgment from the municipal court in the sum of \$150.00 was also filed in favor of the plaintiff in the case of J. R. Myers et al against Walter S. Brann.

John Megins obtained judgment in district court yesterday against F. W. Eaton in the sum of \$162.51. The plaintiff brought suit to recover the principal and interest on a promissory note for \$100 and there was no answer on the part of the defendant.

Change in Ladies' Relief Plans.

A regular meeting of the Ladies' Relief society was held yesterday at the home of Mrs. A. M. Miller, 417 West Second street. It was decided to hold monthly instead of weekly meetings in future. Meetings will be held at the homes of members from time to time, as may be decided on. It has been decided to publish the names of people out of work and in needy circumstances, so that they may be brought to the attention of people that may be able and willing to extend employment. The society will be hampered in its work for lack of funds, having only enough to pay its bills for the present.

Hardy's Bond Forfeited.

When the case of Joseph Hardy, alias Conrad Krebs, was called in the district court yesterday, the defendant failed to put in an appearance, and his bonds, in the sum of \$200, were declared forfeited. Hardy was indicted by the last grand jury on a charge of forgery. He was arraigned and allowed to go on bail, with James Hart, Walter S. Lloyd, John Coventry, Thomas Trevillion and James N. Prior as his sureties. Since then he has failed to put in an appearance at the court house, and Judge Eusign, before whom the case was called, stated that his bondsmen would have to make good the face of the bonds.

New Method of Gas Making.

Several men from Superior, among them F. A. Ross, a prominent attorney of that side of the bay, called on Mayor Truelsen yesterday afternoon, to bring to his notice a new scheme for manufacturing gas. The new arrangement is now in use at Kalamazoo, Mich., and has proved a success. By its use consumers can be furnished with gas at 20 cents per 1,000 feet, and maybe less; that is the price charged at Kalamazoo. It is the desire of these gen-

tleman that if the city shall build an electric light and gas plant, the new system of gas manufacture be tried. The mayor is quite enthusiastic over the plan, and will investigate it fully.

Freshman Class Organizes.

At a class meeting held by the freshman members of the high school the following officers were elected: President, Solomon Bright; vice president, Mary Mark; secretary, Ed O'Brien; treasurer, Miss W. Chisum; sergeants-at-arms, Saldamander Hugo and Joseph Pierce; and Dennis Martin, mascot. President Bright appointed the following members to draw up a constitution: Gabriel Oreckovsky, Samuel Pietner, Aran Fieldman, Rennie Hugo and Raymond Abbott. A vote of thanks was extended to Mr. Wilson for his kindness in acting as temporary chairman.

Only Unscientific, Not Rough.

In a report of the game of football between the teams of the high and Endion schools the statement was made that the game was marked with rough playing. An eye-witness of the game said yesterday that the game was not particularly rough, but lacked science, and he thought that it was due to this more than anything else that the injuries to several of the players resulted. It is said that the injuries received by Ernest Roedel were purely accidental and not intentionally administered. A member of the school board was asked yesterday if the board would take any action on football playing in view of the accident, and he said that he thought that it was hardly likely.

Damage Case on Trial.

The case of George McKenney against the Duluth & Iron Range railway was begun yesterday in the United States circuit court. The plaintiff was employed by the company as a brakeman. He sustained injuries in the course of his connection with the road for which he demands damages to the amount of \$15,000. McKenney's attorney is Edwin A. Jaggard, while Draper, Davis & Hollister appear for the defendant.

The case of the First National bank of Newcastle, Pa., against Finley H. Frisbee et al was continued.

In the case of the United States against Charles J. Elliott, charged with selling liquor to Indians, the jury had not returned a verdict at the close of court last night.
