

## Mr. Freimuth Goes East.

1. Freimuth left yesterday afternoon on his semi-annual visit to the Eastern markets. Accompanying him were many of his department managers—G. D. Young, of the crockery and hardware; Louis Koos, of the notions and underwear; Paul Kritz, of the jewelry; Fred Rasmussen, of the cloaks, and Misses McWindley and Cargill, of the millinery departments. They will be in the East for some time, and the assurance is given that the stocks for the new store will be a revelation to the people of this city.
