One of the most delightful parties of the week was that given by the Young Ladies' Guild at Lester Park Wednesday evening. The affair was strictly informal and, notwithstanding the disagreeable weather was largely attended. An appetizing supper was served by the young ladies, after which dancing was resumed and continued to a late hour. The guild's object was to assist in increasing the building fund on the new St. Luke's hospital, and it was successful in raising quite a liberal sum.
