

Mat' Zalk, president of Cong. Idash Israel Chevry Kadisha, and chairman of the arrangement of laying the corner stone of this congregation on Thanksgiving Day, is one of Duluth's pioneers., he came here from St. Paul in 1883 and has successfully established two industries. The Duluth Iron and Metal company and Duluth Machinery Co., of which he is the principal owner and president. Through his energy the congregation has so wonderfully progressed that it has no parallel; it equalled in number of members and time.
