
MAKING BASE BALL DATES:

Manager Utican of the West Duluth baseball nine is again busy scheduling contests for his winning team. He tried to arrange a game for next Sun-

day with the Freimuth aggregation, and held a conference yesterday with Manager Sattler of that team. Sattler promised a game but said that Hibbing was on the Freimuth list for next Sunday. If the Hibbing contest fails to materialize, West Duluth will be substituted.

The Hubs are another nine the locals would like to play in the near future. The clothing men are the only team outside Cloquet that have won from West Duluth.
