B. J. and Julius Cook Return From Purchasing Trip at Chicago.

B. J. and Julius Cook of the Eagle clothing company have returned from a purchasing trip at Chicago.

They have bought a fine line of men's clothing and furnishing goods, the best the market affords.

B. J. Cook said yesterday that it looks as though it will be almost impossible for the manufacturers to fill their orders this spring, as they are overcrowded with work at the present time. The present buying, he says, consists principally of the better grade of goods.
