

REGENTS EXAMINE NORMAL STUDENTS

List Selected by Faculty Proves Satisfactory—Latter Highly Complimented for Their Work.

The state board of Normal regents completed their labors in Superior yesterday. Their visit to the city was for the purpose of examining the Normal class recommended by the faculty for graduation on June 17. Not only did the regents find the prospective graduates highly proficient, but Chairman J. Q. Emery and State Superintendent of Schools D. P. Cary spoke in words highly complimentary of the Superior faculty for the careful and praiseworthy manner in which the graduating examinations had been conducted, as well as the high rate of standing attained by the respective members of the graduating class.

Another feature of this year's Normal graduation is that the class is the largest in the history of the institution. In the neighborhood of 30 will receive full course diplomas, not including the several who have graduated during the year. Following is the list:

Large Graduation Class.

Full course—C. J. Anderson, J. H. Andrews, Anna Bruern, Alice Christy, Margaret Conrad, Nella Donlin, Agnes Early, Helga Ekern, Olga Ekern, Elizabeth Fritz, Florence Gibson, Elizabeth Gilbert, O. C. Gillett, Bessie Glendenning, Clair F. Hedges, Mabel Howson, Frank Johnson, Edith Karon, Robert Kennedy, Mabel King, Elizabeth Lewis, Ida McLean, Rose Meinhardt, J. P. O'Connor, Myrtle Ross, Lucia Spooner, Theresa Stack, Ina Sweetman, Ida Turney, Willo Webster, Maud Woodbury, Minnie Ulrich.

Elementary—May Abrahamson, Mary Bodeman, Anna Bowman, May Keniff, Harriet MacDuf, Grace Martin, Jennie Mahoney.

Following are the regents who conducted the examination:

F. Rockwood, Portage; C. P. Cary, Madison; Ford Schelber, Milwaukee; Miss E. Ray Stevens, Madison; James Emery, Albion, A. E. Thompson, Oshkosh. Completing their work the regents left for their respective homes yesterday afternoon.

The annual reception of the faculty and members of the graduating class of the Superior school will take place on the evening of either June 17 or 18.

Prof. McNeill is at present working on the commencement program and expects to have it completed within a few days.
