

I. S. S. SUNSHINE DEPARTMENT

Cheerful Workers of Superior.

NE LLIE CAROLYN NICHOLS.

One of Superior's Little "Shut-ins."

Our Motto.

(Cheerful workers, of Superior, Wis., Our Motto):

Have you had a kindness shown
Pass it on
'Twas not given for you alone
Pass it on.
Let it travel down the years
Let it wipe another's tears
Till in heaven the deed appears
Pass it on.

Editor News Tribune: We, the Cheerful Workers, are kept quite busy with our sunshine work. Our members are increasing every week. There are now 24 Sunshiners—Charley Currie, president; Charley Thibedeau, vice president; W. S. Nichols, treasurer; Mrs. Ella Nichols, secretary; Milo Holms, escort. Members Altie Peterson, Tillie Spencer, Willie Nichols, Essie Currie, Walter Warren, Nellie Brickley, Gertrude Sherwood, Wesley Warren, Lizzie Haydon, Neal McGibbon, Eva Fawcett, R. E. Kenyon, editor Superior Sun, Edward Markie, Hazel Nichols, A. B. Finney, Harry Printis, Nellie Carolyn Nichols, Robert Rollins, Frank Bettis, Eddie Sexton.

During the past two weeks there has been a goodly number of Sunshine articles given to two needy families in our city. We are on the lookout for all who need Sunshine, and if anyone who reads this has any one in mind in need of the little rays, please notify Nellie Carolyn Nichols, Sunshine Bower, 2005 Twenty-fourth street.

We do not call this a charitable aid society. Assistance is given with a sunshine spirit—to do the will of our heavenly father; to do as we would be done by; to follow our motto and the Golden Rule. We all pledge ourselves to do all the sunshine work we can find to do, with a sunny, cherry, heart.

We need donations of clothing to send out. Two families have called on the Cheerful Workers for second-hand clothing. We would like to send them both a sunshine box. There are little ones in the two families, and little toys and dolls and pictures would not come amiss. Please look up any little article that you have laid aside; it will shine. Even a cup of cold water given in His name, will never pass unnoticed by the ever watchful eye of Him who has said: "If ye do it unto the least of these, ye have done it unto me."

Saturday evening, Aug. 29, we gave a "Sunshine Poke Party." It was something "mysterious," and funny—a little different from anything we have enjoyed so far.

We send the pictures of Miss Minnie M. E. Elliott, of Ovid, Ind., president of the Shut-in correspondence club, who is a partial Shut-in. She is a very good Sunshine, trying in her own little way to send bright cheery letters to those who are members of the shut-in circle. The little secretary's picture, we also enclose to you. She is in the position of writing her Sunshine letters. She has just completed a little doll's wardrobe and is sending dollie and all on a little journey of love, to a poor little invalid girl, 11 years of age. August 29 was her birthday and the little gift met her on this occasion. She lives in Boggs, W. Va.

Another shut-in in our city is doing

MISS MINNIE M. ELLIOTT.

of Ovid, Ind. President N. S. S. C.

the same little loving work for another little suffering invalid in Lawar, Mo. September 28 will be her birthday and this dear little shut-in girl is going to meet her with a dainty little dollie, all dressed; clothes enough to last a whole year, and so cunning that we know the little girl will be overjoyed. Even a little blue crocheted hammeck will be one of dolly's comforts.

Well, people can certainly do a good deal if these little suffering shut-ins do so much, under pain and discouragements.

On the evening of Sept. 26 we are going to give a sunshine comedy and musical entertainment, under the management of a retired comedian. It will be a very laughable play, consisting of funny recitations, vocal and instrumental music by best talent; also amusing farces in black face, Irish and Dutch comedians. It will be given at Odd Fellow's hall, Fifty-eighth street and Tower avenue, Superior, for the benefit of the Cheerful Workers, branch of I. S. S.

We hope to sell many tickets, so we can have funds to carry on the good work. Any one wishing to become a member of Cheerful Workers, please come or address Nellie Carolyn Nichols, 2005 Twenty-fourth street, Superior Wis.

Our little shut-in member will play one of her beautiful solos on her guitar at our society play, Sept. 26. She cannot sit up or walk, but lies in her little cot, patient and contented—happy, because she can give sunshine to others.

We can all learn a lesson from such patience under the most trying difficulties.

I am afraid Mr. Editor you will think this a pretty long report, so I better be going, or you won't let me come again. Yours for Sunshine now and ever,

ELLA NICHOLS,
Secretary Cheerful Workers, I. S. S.
