

TEACH THE FAITH OF THEIR FATHERS

Superior Orthodox Jews Will Open Night School to Be In- structed by N. Marcowitsh.

The members of the Orthodox Jewish faith of Superior will next week open a night school at 506 Ogden avenue for the purpose of teaching the Hebrew language, the history of the race and perfect the children in the true way of civilization.

N. Marcowitsh, a well known educator of Dayton, O., will have charge of the school and is already in the city. Yesterday afternoon he addressed a meeting at the temple at Hammond avenue and Sixth street.

Mr. Marcowitsh was born in Jerusalem and spent a part of his childhood in that country. After coming to this country he received a thorough educational training, both in Hebrew and English, and while comparatively a young man he is one of the most prominent Hebrew educators in the country.

He spoke entertainingly yesterday, explaining the manner in which the Jewish children in America were drifting away from a proper knowledge of Hebrew teachings and the need for a course of education for them.

In the evening a religious meeting was held, when he also presided, and another large and interested congregation was present, filling the little hall to its capacity.
