

I. FREIMUTH RETURNS FROM A MONTH'S STAY AT HIS NEW YORK OF- FICE.

L. Freimuth returned to Duluth yesterday after a month's stay at his New York office, No. 4 Washington Place, where he has been busily engaged in superintending the department buyers in their purchases for the fall campaign.

Stocks at Freimuth's will be larger and better than ever before in every way—the opening of the new annex giving opportunity for opening new departments and enlarging others. That was about all Mr. Freimuth had to say—but that means volumes to Duluth people who have learned to know that L. Freimuth's promises are al-ways more than fulfilled.

Mr. Freimuth was very glad to get back to Duluth—he expressed himself as being pleased with the past season's business—and as very enthusiastic over the prospects for the future.
