BIG BUILDING SALE.

Mr. B. J. Cook, one of the proprietors of the Eagle Clothing Co., who is erecting the handsome four-story brick building on Superior street, between Second and Third avenues West, has advertised in connection with the same a "Big Building Sale," to start Thursday morning, May 21, at 8 a. m. Mr. Cook says he must realize \$25,000 in about fifteen days and in order to do this is going to sacrifice \$50,000 worth of clothing and shoes at about 68 cents on the dollar. Mr. Cook says the Eagle Clothing Co. will cut prices as they have never been cut before in order to quickly convert the stock into cash. The store will be closed all day Wednesday in order to mark down stock and otherwise prepare to handle the crowds on Thursday. The Eagle Clothing Co. has been doing business in Duluth for the past sixteen years and have always been noted for their high character of merchandise, having the exclusive sale in Duluth of the famous Charles Kaufman & Bros. hand-tailored union-made clothing and carrying the best line of gents' furnishing goods that money can buy. Nothing will be restricted in the "Big Building Sale," and the people of Duluth and vicinity will be offered clothing values unheard of before. Every economically inclined clothing buyer should wait until this sale starts before purchasing clothing, furnishing goods or shoes.
