

TOWER TO HAVE AN OPERA HOUSE

NEWS TRIBUNE SPECIAL:
THE NEWS TRIBUNE
TOWER, JULY 28.—

The building formerly occupied by C. H. Oppel & Sons as a general store, has been purchased by Max Shapiro of Duluth and will be remodeled and placed in the best of condition for an opera house.

Plans have been under way several times to replace the opera house destroyed by fire last August, but all met with failure and the move Mr. Shapiro is making in this line is well appreciated by all. The new place when completed will be under the management of the Federal Order of Eagles.
