

# L. S. LOEB RETURNS FROM THE COAST

---

L. S. Loeb has returned from Pasadena and other Pacific coast points. Mrs. Loeb accompanied him there, but she will remain at Pasadena a little longer. Mr. Loeb says that he was agreeably surprised to find that he could buy the News-Tribune in nearly all of the coast cities. He had subscribed for the News Tribune before going out to the coast, but found that he could get the paper a few hours earlier every day from a dealer.
