

HEBREW CLUB TO MEET ON SUNDAY

The newly organized Hebrew political club has been called to meet at Agen hall Sunday afternoon, when a number of matters relating to the approaching election will be discussed. Thus far there are about 53 members enrolled and an effort will be made to get most of these out for the occasion.

The officers are somewhat worked up over the charge that all that belong to the new club were suspended members of a previous organization, and the further charge that only a few are identified with the move. In order that their strength may be made known, it is probable that an invitation will be extended to some of the leading politicians to visit the meeting Sunday and make comparisons with any other similar organization.

It is claimed that the original club numbered less than 100 members and that the new organization has 52. The rolls, compiled by Secretary M. Weis, are as follows:

J. Harris, president; S. Berkovitz, vice president; M. Weis, secretary; H. Lurye, treasurer; I. Pomish, S. Karon, A. Levinson, I. Dorsky, D. Edelstein, I. Cohen, F. Cohen, L.
