

UNDERTAKERS END MEETING

Hibbing Convention Is Successful. Next Gathering at Eveleth in June.

(Range Bureau of the News Tribune.)
HIBBING, Jan. 10.—The newly formed Range Association of Undertakers closed a very successful two-day meeting here today. The association was organized in November at Virginia and this meeting is the second to be held.

In the absence of President A. W. Hubbard, J. L. Phillips presided at the sessions of the association. The meeting was held in the elegant new undertaking parlors of W. C. Barrett.
