

RETURNS FROM BRIDAL AND BUYING TRIP

D. G. Loewus, head of the hosiery and underwear department at Freimuth's department store, returned yesterday from New York, where he has been the past three weeks on a combined business and honeymoon trip. He was married at Chicago three weeks ago, and he and his bride started immediately on a trip through the eastern states. They will be at home in Duluth on East Fifth street after the first of March.

Mr. Loewus says he was able to select one of the best stocks of goods for his department of Freimuth's big store that has ever been seen in this city.

"I never had a better trip," he said, "and I never had a better line of goods to show the people of Duluth before than the one I selected in New York."
