

# BUILDING BUSINESS BLOCKS AT NASHWAUK

---

(Range Bureau of the News Tribune.)

NASHWAUK, May 8.—Alderman Solomon Sax, of Eveleth, is preparing to build a two story business block here for a saloon and a hotel.

Louis Shuirman, a merchant, of this village, will erect a new business block.

There are several other buildings planned, including a number of residences. The village is enjoying quite a building boom and business is increasing rapidly, owing to considerable stripping being done this year, some three mines being operated, including the Crosby, the Hawkins and the La Rue. Butler Bros. have the contract for working the latter mine.
