

THIEVES ENTER STORE BY BREAKING WINDOW

Thieves entered the tailoring establishment of Litman Bros., at 328 East Superior street, early this morning. The crash of the broken window, through which entrance was effected, attracted the attention of a pedestrian, who notified the police. A hasty search failed to disclose the robbers. The proprietor of the establishment could not be located this morning by the police, and it is not known how much property was taken. Several hundred suits of clothes were in the store. The till was not molested.
