

I AM SATISFIED

As a matter of fact, more than satisfied with the trade resultant upon the announcement of my clearance sale.

I have lost money, of course, and will continue to do so until the stock is reduced to that point where prudence and the capacity of the store cries

STOP!

This is no mere clap trap or cheap talk. The figures and the goods have spoken for themselves. Many have taken advantage of the cut prices, but there are still many articles of

Household Furniture and Stoves

which must be cleared in order to make room for new goods. This great discount sale will continue

From Now Until Feb. 1st

It will pay you to call. The discounts are heavy and they are genuine.

From 25 to 50%

The sale will continue until the new stock arrives. I am going to Chicago next week to the great furniture exposition and will there choose my stock for the new season. I intend to make my store bigger, better and busier than ever and offer you inducements to help me.

BLOOD AND SKIN Diseases, Pimples, Scrofula, Tumors, Tetter and Eczema thoroughly eradicated, leaving the system in a strong, pure and healthful state.

LADIES If you are suffering from persistent Headache, Pains in Back and feel as if it were impossible for you to endure your troubles, and still be obliged to attend to your household and social obligations, give the Doctor a call. He will cure you if you trust yourself to his care. A great many have taken treatment of this Specialist, and he can refer you to those who have been cured by him.

A VISIT WILL TELL
Perhaps you are suffering in silence; perhaps you have been unsuccessfully treated; perhaps you anticipate that relief can be secured only through radical surgery; but more likely you consider your case hopeless or at least susceptible to only temporary relief. Don't despair, even though you have not been successful heretofore. There may be health in store for you yet—a useful life of happiness and prosperity. A visit to the office will tell. Surely it is worth the trouble, as health is a prime necessity, a most valuable asset, and paramount to almost anything a human being can possess. Do not be satisfied until you have been examined by Dr. Hoag. You may be sent away happy, without treatment, but with advice that will save you time and money, as well as mental suffering. If you require treatment you will be treated honestly and skillfully and restored to health within the briefest time and at the least possible expense. All patients examined and treated by me personally.

I MAKE NO CHARGE FOR CONSULTATION, whether you take treatment or not, I want everyone afflicted to come to my office, where I will explain to them my method of curing these diseases. I invite in particular all those who become dissatisfied with treatment elsewhere. I will explain to you why you have not been cured, and will demonstrate to your entire satisfaction why I can cure you safely, quickly and permanently. My counsel will cost you nothing, and my charge for a perfect cure will be reasonable and not more than you will be willing to pay for the benefits conferred. I will do by you as I would want you to do by me if our cases were reversed.
