

# EASTERN SCHOOL PUPILS FINISH THE GRADE COURSE

Exercises Are Held at Central High, Students From All Buildings Involved Participating—Diplomas Will Be Given Out Today—Big Crowd in Attendance.

The eighth grade graduates of the schools of the eastern part of the city held their graduating exercises at the assembly hall in the Central high school yesterday afternoon beginning at 2:30 o'clock. Long before that hour the pupils, their teachers, their parents and relatives and friends began to arrive. Every seat was taken both in the gallery and the main floor and the number that had to stand formed a close line all around the side and back walls. The program, which was similar to that given by the schools of the western part of the city Wednesday, was a good one. The pupils were addressed by Superintendent Dendfel. The presentation of diplomas will take place today at the various schools, by the principals. The invocation was by Rev. J. S. Kirtley. The stage had been enlarged to twice its regular capacity and the children of the 12 schools represented, joined in the singing of three songs under the direction of Miss Clara Thomas.

Those who spoke from the platform representing the various schools were as follows: Roy Bakkan, Nettleton school; Marguerite Getz, Lakeside school; Howard Arthur Sukefort, Jefferson school; Alice Day Fee, Franklin school; Jessie Helen McMullin and John Leslie Sutton, Washington school; Richard Cullum, Endlon school; Elizabeth Fresh, Whittier school; Milton Mahan, Lowell school; Ella Currier, Lester Park school; Florence Whipple, Washburn school.
