

WILL ENLARGE STORE.

(Range Bureau of the News Tribune.)

VIRGINIA. Jan. 1.—John Mesberg, the pioneer furniture dealer of the range, will erect an annex to his store building in this city. The present building is 50x70 feet and the addition on the rear will be 50x40 feet, making the structure 50x110 feet. The plans for the annex are being prepared by a Duluth architect and the building will be completed in the spring. The interior will be finished in English oak and a steam heating plant and an elevator will be installed.
