

# CHISHOLM BABE FALLS 22 FEET SECOND TIME

(Race Bureau of the News Tribune.)

CHISHOLM, May 6.—On Friday, April 15, the 2-year-old daughter of Mr. and Mrs. Ed Drieman fell from a rear balcony over the store occupied by M. Karlinsky, striking on her face on the ground, a distance of 22 feet. The child was unconscious when found but quickly revived and was none the worse for the fall.

The little girl duplicated her performance of three weeks ago. She fell almost in the same spot and is again unhurt. Mr. Karlinsky had unpacked a number of boxes under the balcony and had removed them only a short time before the second accident occurred. There remained on the ground some three inches of straw and this acted in some measure as a buffer, but it seems miraculous that the little tot could again escape injury from such a fall.
