(News Tribune Special.)

CLOQUET, June 2.—Ben Berger and Jacob Kaner, the former arrested yesterday and the latter today, are charged with receiving stolen property, 13 copper plates, valued at \$15 each, which had been taken from the Northwest Paper company's mill, having been found in their possession.

The plates were stolen by seven boys at different times during the past two weeks and concealed on the premises of the above men, who purchased them from the boys at about \$1 apiece. The boys are all between 13 and 15 years of age and belong to prominent families in the city. Berger and Kaner make a business of buying and selling old iron, rags and copper.
