

## HIGH SCHOOL NOTES

For the purpose of bringing the French students at Central high into closer contact and advance the language as a medium of expression among the students, a French club has been organized. Professor Romieux is president, ex-officio, and the other officers are vice president, Ruth O'Brien and secretary, Rebecca Freimuth.

Meetings will be held the first and third Wednesdays when programs will be given entirely in French. Margaret Hoyt, Mary Guinn and Margaret Besnah are members of the first program committee. The following are the charter members of the new organization; Agnes Alexander, Virginia Moore, Eugene La Richeau, Fanny Weinberg, Martha Wall, Lillian Dinham, Marian McGonagle, Alma Robertson, Rebecca Freimuth, Mary Guinn, Ruth O'Brien, Margaret Besnah, Deloris Ryan, Margaret Hoyt, Donald McGregor, Gladys Wonderley, Doroty Patton, Charlotte,

Dunning, Doroth Rowe, Sylvia Bevier, Sue Pastoret, Grace Bergstrom, Agnes Boss, Forest Harley and George Sullivan.

Much to the joy and surprise of the high school students it has been announced that credits toward graduation will be given in the following work: Freehand drawing, hygiene, music in class and choir, musical society, debating, literary society, spelling, gymnasium. Credit will also be given the editor in chief and business manager of the Zenith. Credit will be given toward graduation for work being done this year, with the exception of spelling and freehand drawing, no provision being made for work previously completed in the other subjects.

To solve the tardy problem which has been a source of trouble at the high school a new system of handling late pupils has been introduced. A tardy register will be placed in the office and late pupils will be required to sign their names, session rooms and time of arrival at school in addition to making the usual explanation.
