Sweet Musette. I'm thankful for the blessing of our meeting. You inspired me to persevere and seek a better life. Your example of true happiness when including me in your families celebrations brings me tears of joy.

My condolences to Musette's family. We were friends when our husbands(mine was Floyd Hylton) worked at the FL. Times Union in the 60's. We lived near each other in the Cedar Hills area and we had babies in close proximity. I had moved to St. Johns county in the early 70's and lost touch but had touched base with Musette a couple years ago by phone. She was as always the upbeat, happy girl I knew.

Musette was one of those rare individuals you only meet once in your lifetime. She was always so happy and upbeat. She was someone who not only felt like the best of friends but also I thought of her as family. I am so blessed to have known her all these years. Diane Bocher

I have known Musete only a short while but truly enjoyed her participation in women's Bible studies at OUMC. John Ortberg said that we wonder what heaven is going to be like and now

Musette knows.

I am sorry to miss her memorial service but I am out of the country. My prayer are with you all.

Musette was more like a sister than a sister-in-law. She has been a part of my life since I started my teens. She & my brother George made a big difference in so many children's lives at Lakeshore Athletic Association.

She was a great mother to her 2 children, who grew up to make her proud! They also gave her grandchildren who would make any grandmother proud & happy.

I will miss you Musette, but I will always cherish the good times & celebrate the time I got to share with you. I love you, Diane
