Reeva (Bergher) Lieberman

June 3rd. 1931 – August 11th. 2016

Reeva was the 11th and last child born to John Jacob and Fannie Bergher in Duluth Minnesota. Grandpa was a carpenter his whole life and Grandma was a housewife and Mother. Grandma always was mending clothes, baking bread or cooking for her large family.

## TRIBUTE ARCHIVE

Dad went to work immediately after the war into the automobile trade, worked very hard for over forty years, and provided my Brother and I with a very wonderful and Love filled life in Encino Ca. Mom only worked for about ten years later in life at Hughes, along with her favorite Sister Anita, who got her the job.

I never remember one time when Mom and Dad ever argued. They had a wonderful and Love filled 52 years together until Dad passed in 2000.

Mom was a wonderful Mother, always involved, laughing, cooking and watching out over me, and all my friends, as we were coming up. She was a second Mom to many of them. Many people have referred to Mom as “Nana,” and she was a doting and loving Nana to Justin and Amy, and loved them so much. Her sense of humor was over the top, and was always able to bring a smile to all of our faces, even when thing weren’t all that pleasant. She would always say, “You need some levity and laughter, every day.”

Mom’s ten-year walk down this Dementia path has now come to end. It was a long and trying path, but one that Julie, Justin, Amy and I walked with pride, Love and compassion, passed down to us by my Mom.

Mom, Nana, you will always be in our hearts, and never forgotten.

A cryptside service will be held August 18, 2016 at 12 noon at Hillside Memorial Park in Los Angeles, California
