

John Martin Mayeron

Mayeron, John Martin 65, of Dallas, Texas and Minneapolis, Minnesota died surrounded by the family he adored and who worshipped him, on September 15, 2020 of complications following an accident. John was an extraordinary man whom everyone liked upon meeting. He had a successful life-long career in the financial services industry, but was far more successful in his personal life, happily married to his wife Babs. His relationship with their son Kyle was also exceptionally close. A passionate collector of baseball memorabilia and a Texas Rangers season ticket holder, for 25+ years he and Kyle went to the World Series, creating cherished father-son memories. He coached Little League and remained close to many of his players. John is preceded in death by his father Harry and mother Gloria. He is survived by his wife Babs, son Kyle, daughter-in-law Maria, rescue dog Eddie - all of Dallas; sisters Candace Mayeron of Los Angeles and Constance Cowles of Minneapolis, nephews Weston Hoard, Wiley Hoard, nieces Courtney Hoard and Sandra Teige Hoard all of Minneapolis and many wonderful Dallas in-laws, nieces, nephews; plus cousins and friends, all of whom are grieving through the hole in their hearts. Due to Covid there will only be a private service in Dallas. Donations may be made in his name to the SPCA or the Jesuit College Preparatory School of Dallas.

I am sad to hear about John's passing. He and I met for dinner from time to time when he was in Minneapolis. He had great stories of times with his wife and son. My condolences go out to John's sisters as well as the rest of the family. Gone too soon.
