I miss PO so much

January 11, 2016

Dear Michael, your name became re-freshed in my mind, today, at the Peet's Store in Wellesley. Your Wife, Barbara, came into our Store, and I recognized your last name. She told me, that your relished your times in our Store and our conversations, Your were one very, special customer. Until Barabara told me, I didn't realize how much you enjoyed our talks, too. I appreciated her kind words.

*Dear Stedman family,
So sorry for your loss. Michael will not be forgotten. I appreciated his friendship and help during difficult times. He left us too soon -- we had meant to grab dinner together! I will definitely stop by to visit the family. My thoughts are with you.*

*Dear Barbara, Scott, & family,
I was shocked and saddened to hear of the passing of your beloved husband and father. I enjoyed meeting you & seeing you all at Peet's over the years. Mike was such a nice and interesting guy! He always had time for a greeting, smile, & a bit of conversation.
I will miss this, as well as the twinkle in his eyes when I'm at Peet's.
My thoughts and deepest sympathy are with you at this sad time. May fond memories overshadow the pain of his loss as time goes by.

A bright and beloved spirit with a huge heart. He bragged all the time about how fortunate he was to have such a loving wife as Barbara and his children and grandchildren. He added light to this world. He will be dearly missed.
