Dear Jeff, Jan, and family:

Our thoughts are with each of you, your family, and friends. Seeing Bill's picture on this sight reminded me (Michael) of the day we played golf together at Jeff & Tammi's wedding. It did not take long for me to realize that day that I was walking down the fairways with a great man.

May you find warmth and comfort in the strength of your memories of Bill, forever.

To Bill's family: My deepest sympathies on your loss. I was a student of Bill's at York Suburban back in the late 1980's. Bill and the Eng dept inspired in me a love of writing and teaching. I now teach at York Suburban in the art department. Please know that often teachers don't realize how many students' lives they truly touch. Thank you for sharing Bill with us - his students.

Jan & Family,

It's been a while since I looked at the Obits at ydr online. I moved to Las Vegas 12 yrs ago and don't hear from home very often. I'm sorry to hear of your loss of Bill. I had him as a English teacher at Suburban many years ago and always enjoyed his style. By accident we ended up working together renting videos at National Video on Industrial Highway back in the mid to late 80's. Always in a good mood, Bill seemed to be the life of the store when he was there. We shared similar interests in movies, however; the movie I recall him watching most often while at the store was titled "Mr. Love". I'm not sure if it's on DVD, but worth watching in his memory. Another favorite that he played quite often was "Labyrinth" starring David Bowie. I recall that he was great with all people who came into the store, and I'm sure he was like that everywhere. May God Bless you with fond memories.

Dear Jan and family,

We are thinking of all of you. We are so sorry for your loss. We will miss Bill, but I know that he is now in peace. He always had a better memory than I did, he could always clarify any of my childhood memories. He will be missed.

Love,

Mike and Debbie
