SITE REMEMBERS ARNOLD AND LORLEE TENENBAUM

All of us at SITE Santa Fe are deeply saddened by the passing of two of our own, Arnold and Lorlee Tenenbaum. We are heartbroken.

Arnold was at the center of the SITE family for decades serving as a Board member, wise counsel, and cheerleader of all of our endeavors. Those who knew Arnold well would agree that God broke the mold when he made Arnold Tenenbaum!

He was the most gracious of men who had a wonderful ability to bring people together. He had a large heart, a large smile, and an even bigger hug. Lorlee of course was the straight-talking force behind their large family, and together they made an extraordinary team.

Arnold and Lorlee lived every day of their many years to the fullest, with great style, and as Arnold used to say, he considered he and Lorlee to be some of the luckiest people on earth. All of us at SITE would agree, it was we who were lucky to have had them in our lives.

Although we are going to miss them terribly, our memories of Arnold and Lorlee will live in all of us forever. In this moment of loss, Arnold would want us to carry on, work hard, and take care of each other. Let us all do this for Arnold and Lorlee.

With fond memories of our dear friends,
The Board and Staff of SITE Santa Fe
