

LAST WEEK OF GREAT SALE AT FRIEDMAN BROS.

This is the last week of the Friedman Bros. sale on suitings and overcoatings. Regular prices will prevail beginning Monday, Feb. 2, but, on all orders booked this week, overcoatings will go at \$25, choice of the house, and suitings at one-fourth off. Every January Friedman Bros. use this sale to stimulate business so that they may keep their large staff of tailors busy.

Ben Friedman confidently expects the orders this week to come in at such a rate as to break all previous January records. The values given are such that men and young men do not hesitate to take advantage of them.
