

GRAND OPENING

Of Harry Mitchell's New and Enlarged Store

Harry Mitchell's Editorial

WHAT DO YOU THINK?

Do you think I could have built up my business the way I have if I wasn't on the square?

Do you think I'd be rich a quart as to spend thousands of dollars advertising that I make no order for \$15, \$20 and \$25 better clothes than you can buy elsewhere for \$30, \$35 and \$40, if I didn't know I could make good?

Do you think I'd have blown a small fortune buying up my new and enlarged business if I didn't know I had the public confidence?

The success of my business is due to the fact that I've always been square and above board. The men of Minneapolis never had any one thing to be so thankful for as when your Uncle Harry came to town.

Yours truly,
HARRY MITCHELL.
