

*THE COMPLIMENTARY CONCERT TO THE
BUFFALO GLEE CLUB.*

On Monday evening next, the 5th of July, but by consent, 'The Fourth,' the Grand Promenade Concert to the Buffalo Glee Club will come off. Besides the well known three Buffalo gentlemen, Mrs. J. G. Hussey, the celebrated Pianist and vocalist, also formerly of Buffalo, with Dr. Walbank, violinist of Superior City, and Henry F. Leopold, Jr., the comic amateur vocalist of Duluth, have tendered their services; with Mr. Jaehug and his daughter. The Steamer Frost will run an excursion trip for the Concert from Superior City. Mrs. Nettleton has kindly loaned her grand Bradbury Piano for the occasion. Tickets for the Concert are 50 cents. After the Concert, as a distinct amusement, the seats will be cleared out of the way, and there will be a Grand Ball. Tickets for this are \$1 per couple: Ice Cream and Refreshments to be an extra charge. We hope our citizens who are fond of first-class music will not fail to attend the Concert: and that those who desire to dance will not fail to foot the floor and the bill. We feel satisfied that everything will be conducted decently and in order: and that the most refused may participate with the confidence of unalloyed pleasure.
