

CALL FOR A CITIZENS CONVENTION.

Whereas, the time designated for our Charter Election is rapidly approaching, and it seems to us that the questions connected with organizing our City Government, the making of public improvements, the contracting of debts and all other incidental subjects will require prudent council, unity and promptness of action; that the public good will be subserved by the absence of all political animosity or strife in this our first election, and that to fill the respective offices in our City Government the coming season, the election of capable and fitting men who have the confidence of all parties is extremely desirable. *Therefore*, we, the undersigned would respectfully invite all citizens of Duluth, irrespective of party and without regard to date of settlement to unite in a mass convention to be held at the office of Charles H. Graves, Esq., on the 17th day of March, A. D., 1870, at 7 o'clock p. m., for the purpose of nominating persons for the offices of Mayor, Treasurer, Comptroller and City Justice to be voted for at the ensuing election.
