Mr. G. A. Root, a prominent commission merchant of Cincinnati, is in the city with an eye to business for himself and some of his friends.

J. Torbe, of Milwaukee, a relative of S. Levy, is spending a few days in the Zenith City, with which he is much pleased, as everybody always is.

Pres. Villard, of the Northern Pacific road, and a large party of German bankers, came to town on a special train yesterday morning, and after riding about town went over to Superior. They left for the end of the track later in the day.

Dr. V. Smith, who is a member of the state board of health, received a telegram yesterday from Dr. Howitt, the president of the board, advising him of the appearance of a case of small pox at Lake Park, and requesting him to go out and look after it; and he will leave this evening for that place.
