INSURANCE AND REAL ESTATE

THOMAS DOWSE,

Of the HOWELL AGENCY would acknowledge the generous support given it since its re-establishment last year. I begin the new year with the following Fire Insurance Companies, to which additions will be made promptly as demanded:

HOME, of New Orleans,	Established, 1805
MECHANICS, of Brooklyn, N. Y.,	" 1807
GERMAN, of Pittsburgh, Pa.,	" 1862
STATE, Des Moines, Iowa,	" 1863
BUFFALO GERMAN, Buffalo, N. Y.,	" 1807

All of these having successfully been through the Great Chicago and Boston Fires, and depressed business years from 1872 to 1880—proves them to be

TIME TRIED AND FIRE TESTED.

No other here offers better Insurance Security, and fairer dealings than the People's Agency.

I am prepared to place *Lumber and Grain Loans* to any amount. TRY ME.

IN MARINE INSURANCE

My arrangements of the coming season of 1883, *are most complete* HULL INSURANCE both against fire and marine will be *especially* solicited.

I firmly intend The People's Agency *shall lead* in the amount of Insurance business, steal or nobody else here the coming year. It never plays "second fiddle."

REAL ESTATE

Will only say this much, as from 70 to 75, will be on Commission Only—*No joint Accounts to muddle over.* Actual buyers and sellers brought together if desired. I am not interested in a dollar by buying Commission in any property I offer. The advantage and fairness of *this rapidly advancing rule*, is clear to every one.
