

Miss Regina Berdie, the daughter of Mr. Berdie, the celebrated ginger ale manufacturer, left yesterday with her mother for St. Joseph's college, St. Paul.

The change of bill at the Duluth theatre last evening was well received. The olio was opened by the favorite, Billy Jackson, in one of his irrepressible comedy acts which kept the large audience in a continual roar of laughter. Then followed the specialties, which were unexceptionably fine. The Private Secretary is a comedy which has made one of the greatest hits of any piece ever produced on the stage. The piece as produced at this house fully coincides with its former reputation. Frank Howe as Cattermole, was irresistably funny, and the comedy as a whole was a grand success, and will be given the remainder of the week.
