

the change a mysterious chore to secrecy.

FOR A NEW SYNAGOGUE.

A Concert and Hop by the Sons of Jacob Congregation.

A grand entertainment and ball was given at Market hall last night, under the auspices of the congregation of Sons of Jacob, in aid of the erection of a new synagogue. The first part of the evening was devoted entirely to a musical programme of excellence, consisting of ten numbers, under the leadership of Prof. Fred Will. The St. Paul Amateur orchestra, thirty-six members, furnished some really delightful music, a piece by Schubert, "Mill on the Cliff," and "Dream on the Ocean," being among the choicest selections. A violin solo by Herr A. Aamold, solos by Mrs. W. De Mers and Rev. Aaron Gradsky, and a song by Mrs. George James were rendered. Mrs. James was presented a basket of flowers by I. Abrahamson.

Mrs. I. Abrahamson was presented a silver water filter for selling the greatest number of tickets and contributing much to the entertainment. Fully 500 people attended the entertainment, and, at its close, a greater part of the audience remained to dance. A dancing programme of sixteen numbers completed the evening, and in the meantime a grand supper was served. The following gentlemen acted as ushers and floor managers: W. M. Abrahamson, Dave Hersch, L. Finkelstein, L. Burton, K. Bubinstein, S. Mark.

The masters of ceremonies were Simon Jacob, I. Abrahamson, D. Grindblot, A. Mark, N. Blumenthal and M. Shopira.

W. M. Abrahamson led the grand march, assisted by Miss Bessie Marks.
