

\$1,100 a Front Foot

Judge Carey, the agent of the Norton estate, yesterday closed the sale of the 50 feet on the northwest corner of West Superior street and Fifth avenue, opposite the Lyceum, to Samuel I Levin, for \$27,500. Mr. Levin has had a lease of the property which still had four years to run. He owned the building, so the price of \$1,100 a front foot paid includes only the lot, which is one of the most desirable corners in the city.
