

## MR. HUNTER'S COLLIE.

---

IT HAS BEEN RECOVERED, AND THE DETECTIVES BELIEVE THEY HAVE IDENTIFIED UP SOME THIEVES.

Much to the gratification of J. C. Hunter of the American Exchange bank, Detectives Hayden and Benson have recovered a handsome Scotch collie, which was stolen some time ago. Mr. Hunter values the animal at \$100. The dog was found at the home of John Siegel, who was arrested for its theft. Another man is supposed to be implicated in the affair, and will probably be arrested today. The detectives say some one has been making a specialty of stealing dogs, and they think they have their hands on the guilty parties.
