

MISSABE WRECK AT BIWABIK.

Ore Cars Pile Up in the Yards and Obstruct Tracks.

Special to The News Tribune.

BIWABIK, Aug. 20.—Quite a bad wreck occurred in the D., M. & N. yards here last night. Eight loaded ore cars broke loose at the further end of the east siding, any when they reached the "Y," jumped the track, piling and breaking them up in bad shape. It is not known what caused the cars to start. The wrecker arrived this morning, and will probably be all day clearing the wreck.

Mrs. J. A. Loulan called on friends at Virginia Wednesday.

The Hale mine is loading about 15 cars a day now, and steadily increasing the force of men. Supt. Darwin says laborers are scarce.

H. Poole, of Ohio, nephew of J. C. Poole, has taken charge of the Biwabik Hardware company's store here during Mr. Murphy's absence.

The Drake & Stratton company has laid off another shovel. This leaves one shovel working day and night, and reduces the force to about 100 men. Manager Hawkins is making arrangements to ship two of the donkey engines east next week.

Things are still lively at the Biwabik mine, where a night shift has been added.

Capt. White and Dr. Humphrey drove over to McKinley yesterday.

Frank Schur was over from Mesaba Wednesday.

Max Shapiro, the Eveleth clothing merchant, and formerly in business here, is making arrangements to move his family to Eveleth next week.

William Mars came over from Virginia on business yesterday.

W. E. Darwin went to Duluth this morning.
