

# SIXTH STREET BURGLARS

Pay a Second Visit to the Berkowicz Residence.

The residence of N. Berkowicz, at 713 Sixth street S., was entered by burglars last night while the family were away, and upon their return the house and its contents were found to be in frightful disorder. The burglars had gone through every room in the house and made away with considerable booty. This is the second burglary in the past three months at the house, and the first time \$300 worth of clothing was taken.
