

1. Freimuth Will Soon Occupy New Quarters in Fowler Block.

1. Freimuth will effect a removal of his store from the present location to the Fowler building, the latter part of next week. In the meantime he is conducting a removal sale that is designed to remove all goods from the store outside of new stock.

Under any circumstances the work of removal will be a big undertaking. It will be lessened, however, by the fact that new fixtures have been put into the Fowler building and will all be in place when the work of putting the goods on the shelves begins. It is said that these fixtures would easily do credit to Chicago or New York's best stores. Mr. Freimuth says that he will show the people of Duluth a modern store of the first class. ●
