In many cities there are elopés made up exclusively of college men. A club of this sort is being discussed now by several Duluth men. They report there are scores of college graduates in the city. They have a warm spot in their hearts for their Alma Mater, and there is a bond between all such. Rooms where they may meet and talk, read and lounge, and be near some local, first class restaurant would bring them in touch with each other and prove a great social success.

Bradbury will play Mr. Borch's own "Romance" for violin, published, with a great number of his works, by Augener & Co., of London.
