GRIDIRON TODAY.**

RANGE MEN ARE CONFIDENT

**ORE DOCK CONTINGENT BENT ON
ERASING DEFEAT.**

**Large Party Will Visit Tower to
Witness Unveiling of McKin-
ley Monument—Social Notes.**

News Tribune Correspondence:

VIRGINIA, Nov. 8.—Our high school football boys will line up against the Two Harbors aggregation at the local gridiron tomorrow, Saturday, in their second game. The local team defeated Two Harbors at that place three weeks ago in a score of 12 to 0 and the boys down, the line were to play a return game here a week from that date, but requested that more time be given in which to properly prepare for the fray, and it would be evident that the ore dock boys will give our team a hard tussle for their first defeat. In the meantime our school eleven has not been idle, even though they had to practice in blinding snow storms the past few days and under the training of Coach Deering they will make their usual creditable showing.

Mrs. Henry J. Sigel and daughter have returned from a visit with Duluth friends.

In all probability, weather permitting, the common councils of Virginia and Eveleth, and accompanied by many citizens of both towns, will accept the invitation of Mayor Murphy, of Tower, and charter a special train over the Duluth & Iron Range, Sunday, for the purpose of being in attendance at the unveiling of the McKinley monument at Tower. There will be at least 150 persons take advantage of the unveiling of the statue of our late beloved president and the Vermillion range will be very largely represented. The speakers will be Rev. Forbes of Duluth, and John Owens of Tower. It is expected also, that Governor Van Sant will attend. This is the first McKinley monument to be unveiled in the United States.

Benjamin Milavetz of the cigar and notion firm of Milavetz Bros., of this city, was on Tuesday evening last united in marriage to Miss Lena Kanter, daughter of Mr. and Mrs. H. Kanter, of Minneapolis. The ceremony was held at the Roumanion synagogue, and a general reception was held at the bride's home immediately thereafter. Mr. and Mrs. Milavetz arrived in the city Wednesday and will go to house-keeping about Dec. 1st.

George Schultz and Miss Antonia Ranovich, of this city were married at the Catholic church Sunday morning. They went to housekeeping on Pine street.

Wilbur Ellithorpe has accented a position at the Levin Clothing house.

Nels P. Fordham, of the A. Hawkinson & Co., hardware firm, was in Duluth Tuesday and Wednesday.

Mr. and Mrs. Sam Milavetz went to Minneapolis Monday to attend the wedding of Mr. Milavetz's brother Benjamin, Tuesday.

Dr. and Mrs. Spratley went to St. Paul Monday. Mr. Spratley will locate here permanently after January 1st.

Editor Hannaford, of The Enterprise, returned Monday evening from a two week's visit at Waupun and other Wisconsin points.

Capt. M. L. Fay was in Duluth the early part of the week.

E. C. Garlick representing the Pitt Iron company of Cleveland as local manager, was a Duluth visitor Wednesday.

A son was born to Mr. and Mrs. J. M. Sheeby Sunday. Mr. Sheeby is agent for the Missabe road here.

Joe Backus is in Montana looking up the prospects of starting a cattle ranch.

Mrs. Fred Lerch was over from Biwabik Monday.

The Pitt Iron company, which has had a drill at work in the Turney lands, 24-58-18, has removed the same and is now drilling on the McLeod property, 23, 58-18.

Capt. Thomas Walters, manager of the Jones & Laughlin interests, was in the city most of the week.

W. R. Wasson has secured the agency of several of the leading piano firms of the country and will canvass the range shortly and push the several makes to the front. A good field to the right party.

R. B. Freedy, manager of the Mesaba Telephone company, will soon inaugurate a short telephone system at the Sharon mine at Buhl, the material for the same having been ordered. The system will be a private affair, and will connect at the superintendent's home and mine office and the several important buildings and shaft.

H. E. Fosness, the contractor, has been awarded the contract for the erection of a hose drying tower to be placed directly over the entrance of the fire hall. The tower will be 8x8 feet and will accommodate the hose for drying purposes by doubling the lengths, the tower to be better than a 25-foot affair.
